Amanda Dean
1st Year Counselor

Alta Mons was a refreshing and new experience that challenged me to step out of my comfort zone and grow in many ways. It's a great place to make life-long friends and impact the lives of children by sharing love, laughter, and adventure.

This is where I learned to whistle. This is where I first went caving. This is where I first played guitar in front of a crowd. My time at this camp has contained some of the most satisfying moments of my life. From leading big games to staying up late until a scared camper went to sleep, I have done a lot of memorable things at Alta Mons.

LIVE IN THE WOODS

Be away from it all on 850 acres of beautiful land: Working at Alta Mons is a chance to live life unplugged and surrounded by nature! A 40 foot waterfall, fireflies that light up the mountains at night, amazing Back 400 sunrises and so much more make Alta Mons an endless adventure!

IMPACT LIVES

The camp community at Alta Mons is STRONG. We take pride in what we do and who we are! We work hard to serve our campers and to show them love. In the process, staff members make friends that will last forever!

SMALL GROUP CHRISTIAN CAMPING

We like to keep it small at Alta Mons! With a staff of about 30, we work to meet the individual needs of every child who comes to camp. Silly songs, polar bear swims, zip-lining, and much more! All done within your small unit of campers (no more than 14) alongside your co-counselor (another staff member like you!)
