An Explanation of the Alta Mons Campership Program

Thanks to many generous donors, Alta Mons is able to help offset the cost of camp for those parents and children that need financial assistance. The process works like this:

If you need financial assistance and can pay 1/3 of the cost of camp yourself:

1. Have a local pastor, school guidance counselor, social worker, or agency representative sign off on your registration form verifying your need for financial assistance. This signature authorizes Alta Mons to use its campership funds to cover the remaining 2/3 of the cost of camp for you.
2. Mail or electronically send your signed registration form and registration fee (\$60 for all summer camp programs) OR 1/3 of the cost of camp to Alta Mons.

NOTE: If you choose to pay only the registration fee, you will need to pay your balance (1/3 of the cost of camp MINUS the registration fee) on or before registration day (the first day of camp your child is registered for).

If you need financial assistance and can pay no money towards the cost of camp:

1. Contact your local church, school, social worker, etc. for a sponsor. If this outside agency can pay at least 1/3 of the cost of camp, the Alta Mons Campership Fund can cover the remaining 2/3 of the cost.
2. Have the agency representative fill out and sign the bottom of the child's registration form and mail or electronically send the form and registration fee (\$60 for all summer camp programs) OR 1/3 of the cost of camp to Alta Mons.

NOTE: If you choose to pay only the registration fee, you (or your sponsoring agency) will need to pay your balance (1/3 of the cost of camp MINUS the registration fee) on or before registration day (the first day of camp your child is registered for).

****Please note that at least the registration fee must accompany your child's registration form in order for the office to process your child's registration and reserve his/her spot for camp****
